Kelburn Great Event

$\frac{1}{3}$ Interest Sells

WITHOUT A DOUBT, Kelburn Great Event is one of the most popular Shorthorn bulls of the day and Royalty is proud to own him along with KC Shorthorns and Remitall Cattle Co.

Great Event is by Bapton Copyright, a son of the 2,400-pound Calrossie Constellation. He is out of Kelburn Clipper Beatrice 5th, one of the greatest show cows of all time that was supreme champion over all breeds at Brandon, Man., in 1957. She is by Calrossie White Emblem, a full brother to Constellation.

In other words, here is the same breeding that produced the magnificent Bapton Constructor. At Royalty, Great Event will be used with the foundation females as well as the Glamis Benefactor daughters.

With Kelburn Great Event, Royalty will intensify the blood and influence of the breeding that has contributed the great size and strength to Shorthorns and Polled Shorthorns everywhere.

Great Event's record as a sire is well known. Among others he sired Remitall Captain Jim, top-selling bull

of the Canadian International Bull Sale and stock bull for Melbourne Farm, Big Rock, Ill.; Remitall Baronet, the \$3,500 Denver grand champion owned by Cliff Hill, Salem, Ore.; Remitall Pamela, junior champion of the 1961 Royal Winter Fair that went to Lewisfield; Remitall Elsie Daisy, 1963 Denver sale champion and top-seller to Wilf Miller, Olds, Alta.; Remitall Executive, 1962 Edmonton champion and top-seller to John Bell, Spruce Grove, Alta.; Remitall Mascot, 1964 Calgary champion; Remitall Destiny, new stock bull at Mr. and Mrs. T. C. Stuart's Tutira, Arundel, Que. We could go on and on, but you get the idea.

The first Great Events have arrived at Royalty where you will see them on sale day.

Sons and daughters sell along with the services of this Bull.

Glamis Benefactor

Undeclared
Champion of
Great Britain

Interest Sells

GLAMIS BENEFACTOR has been acclaimed throughout the world as a great show and breeding bull. The richness of his pedigree gives added assurance of the prepotence of his calves.

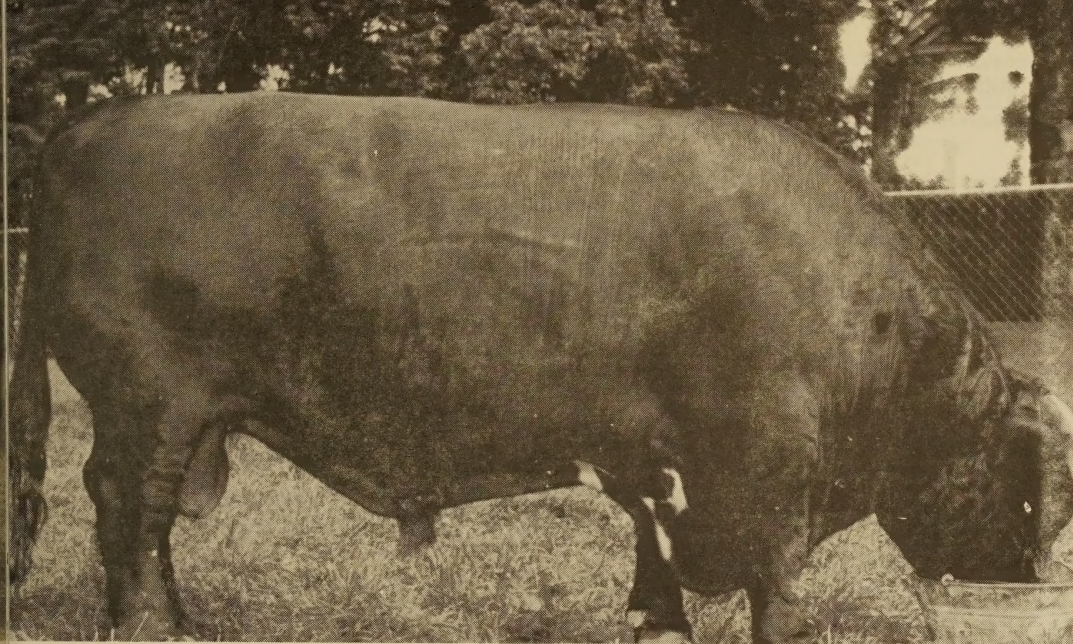

Glamis Benefactor is by the world renowned Calrossie Diadem, the incomparable stock bull that sired four consecutive supreme champions and/or top-selling bulls at Perth when he was used by R. M. Adam and Son of Glamis.

Later exported to the United States, Diadem is now owned by Bilmar Farms, Durand, Mich.; Mrs. Hugh Fenwick's Boll Weevil Plantation, Waynesboro, Ga., and Michigan State University. Among others he sired the top-selling bull in the U.S. in 1964; the 1965 All-American senior get-of-sire, an International reserve grand champion female, and reserve junior champion bull, the grand champion bull of the Kentucky State

Fair two years in a row, the champion female there three consecutive years and a host of others.

Glamis Benefactor's dam is acclaimed as one of the great cows of all time. She is Glamis Helga Broadhooks by Perth reserve supreme champion Kair Masterkey. Among others, she produced Glamis Don Carlos, Perth junior champion sold to R. S. deQ. Quincey at \$13,500 for the mighty Erimus herd.

Glamis Benefactor himself is the undefeated supreme champion of Great Britain, a record unparalleled in modern Shorthorn history. His accomplishments as a breeding bull are equally impressive. The Benefactors have swept the shows from one end of the country to the other and keynoted the record-breaking KC Shorthorn Farms' Sale in February. Here is blood unmatched in the Shorthorn industry. A large draft of daughters sell and much of the offering carries his service. All his off spring and 1/3 interest sells.

Braeside Scotsman

$\frac{1}{3}$ Interest Sells

SELDOM HAS a stock bull been used with the confidence that Royalty placed in Braeside Scotsman. His first calves at Royalty now leave no doubt that he is one of the important stock bulls of the day.

Braeside Scotsman is by the immortal Bapton Constructor that perhaps sired more truly great stock bulls than any Shorthorn bull of modern times. He in turn was out of Aldie Augusta Johanna whose daughters were acclaimed as models of Shorthorn perfection.

The dam of Braeside Scotsman is Saltoun Pauline 22nd. She was a great red cow of exceptional capacity and sweetness that was imported from Saltoun for Ian Brown's Braeside herd. She was by Tradlin Buccaneer, one of the best sons of Gallant Marshal. He in turn

also sired the \$25,500 Kinellar Napoleon that made breed history at Cyrus Eaton's Acadia Farms, and Banchory Orangeman, that developed a new line of modern Shorthorns that also produced Calrossie Diadem and Glamis Benefactor.

The other maternal grandsire is Calrossie Good News, known wherever Shorthorns are bred as a sire of females of exceptional prepotence.

Scotsman himself is a massive red sire, closely resembling Bapton Constructor. He has the same grand head, exceptional character and heavy bone of his illustrious sire.
